

SCHOOL BOARD OF LAFAYETTE COUNTY Mayo, Florida

100 Mb Broadband Connectivity

Point of Contact:

Walter Bell, CTO
wbell@lcsbmail.net
(386) 294-4293

Lafayette County Schools is seeking to upgrade existing broadband to **100Mb** for external connectivity. Requirements are as follows:

All work must be completed and tested prior to June 30, 2014. A minimum of 32 *external IP* addresses must be provided for use. All installed equipment must be maintained and upgraded by the provider. All equipment and speeds must be upgradable depending on future needs of the District.

Vendor must have a confirmed presence in Lafayette County Florida.

All proposals are due to the above point of contact not later than 2:00PM December 18, 2013.
