

CHAPTER 5.00 – STUDENTS

STUDENT OUT OF DISTRICT TRANSFERS/CHOICE

5.031*+

- I. The School Board strives to accommodate family choice to the maximum extent possible. Students may attend a school other than their district school if they have been granted a choice assignment in accordance with this policy. Disciplinary and/or attendance issues may result in a return to the home district school the following school year and/or may result in immediate return to the home district school. School choice is available for the following:
 - A. Controlled Open Enrollment
 - B. Charter Schools
 - C. McKay Scholarships
 - D. Home School
 - E. Virtual School
 - F. Dual Enrollment

- II. The following provisions apply to all choice assignments:
 - A. The student must remain in the home district school until a choice assignment is granted.
 - B. Applications for certain choice assignments must be submitted within the designated time frame. Time frames are published on the Board website for applications for the following school year.
 - C. With the exception of children of full-time Board employees who are non-residents of the District, students whose primary legal residence is in the District shall be given preference over non-resident students with respect to the granting of choice assignment.
 - D. The Board does not provide transportation to students with choice assignments except as otherwise provided for in this policy or by law.

CHAPTER 5.00 – STUDENTS

III. Controlled Open Enrollment

- A. Students may be granted choice assignments to schools that are not crowded and would not become crowded as a result of such assignments.
- B. Each year, the Board will establish a ninety percent (90%) capacity for each school in the District. Schools having a projected enrollment of less than ninety percent (90%) of capacity for the following school year will be available for controlled open enrollment. Projected enrollment will be calculated by taking the number of intra-district students eligible to attend the home district school.
- C. Schools having a projected enrollment equal to or greater than ninety percent (90%) capacity will not be available for controlled open enrollment; any applications submitted will be placed on a waiting list. Eligible schools will be posted in each school office and on the Board's website.
- D. Applications for controlled open enrollment will be submitted to the School on the Controlled Open Enrollment Form. The Superintendent will annually establish an application period for controlled open enrollment.
- E. The District Office will compile applications into lists by school of application.
 - 1. If the school's ninety percent (90%) capacity would not be exceeded by the number of choice applications when added to the projected school population, choice applicants for that school will be approved as in alignment with the School Choice Plan.
 - 2. If the school's ninety percent (90%) capacity would be exceeded by the number of choice applications when added to the projected student population, admission will be granted first to students who have siblings in the chosen school, and all other available positions will be filled through a stratified lottery will be utilized to maintain socioeconomic and demographic balance as defined in statute.
 - 3. Other priorities, once verified, applications for students meeting one or more of the priority criteria as described in this paragraph shall be granted priority to attend their first choice school if a seat is available. Applications with one or more of the priorities provided in this paragraph shall be separated from each group and placed in

random order. Students who are eligible for priority preference include:

4.
 - a. Students residing in the District.
 - b. Dependent children of active duty military personnel whose move resulted from military orders;
 - c. Children who have been relocated due to a foster care placement;
 - d. Children who have moved due to a court-ordered change in custody due to separation or divorce;
 - e. Children who have moved due to the serious illness or death of a custodial parent; and
 - f. Students at multiple session schools.

- F. Parents will be notified, in writing, of the approval or denial of their student's application.

- G. A student who is granted a choice assignment under Controlled Open Enrollment must register at the new school within ten (10) days of being notified or the choice assignment will be rescinded.

- H. Students who are not selected to attend the school(s) to which they applied will be notified that the District will be unable to place them at a requested school and they must register at their home district school. Notification will occur in writing within 15 days after the enrollment period ending date. The student will be placed on a waiting list in case a position opens within the first ten (10) days of the school year.

- I. Positions at a school that were assigned to a student under Controlled Open Enrollment will be monitored at the beginning of the school year. Students who have accepted assignments but who are not in attendance by the tenth (10th) day of school will have their assignments revoked. A revoked choice assignment may then be assigned to the next student on the waiting list.

IV. Charter Schools

In addition to choice within schools operated by the Board, parents may elect for students to attend charter schools that have been approved by the Board. (See Policy 3.16 - Charter Schools). Each charter school is operated and governed by its own independent board. Parents who elect this option need to communicate directly with the charter school to resolve questions and concerns.

V. McKay Scholarships

Students with disabilities may be granted choice assignments to schools other than their home district school under the provisions of the McKay Scholarship Program (F.S. 1002.39).

VI. Home School

Parents may elect to home school students in accordance with State law. See Policy 4.21 - Home Education Programs.

VII. Virtual School

Parents may elect to register their students in a virtual education program. See Policy 4.25 - Virtual Instruction.

VIII. Dual Enrollment

See Policy 5.032 - Postsecondary Enrollment Programs.

IX. Revocation of Choice Assignment

If a student is granted a choice assignment and displays issues with attendance, grades, or disciplinary actions the principal may make the decision to have the student returned to their home district school. Prior to revoking a school choice variance the school will document a minimum of three (3) good faith efforts to provide interventions and enlist parental/guardian support for the identified areas of concern. If a student is being returned to their home district school due to a revocation, communication should occur between the schools to establish supports for the student. Revocation of a choice assignment within ten (10) school days of the end of a nine (9) weeks or semester grading period will be effective the first day of the following grading period. No requests for revocation will be considered during the final twenty (20) days of the school year.
