DEFERRED RETIREMENT OPTION PROGRAM (DROP)

6.216

The Deferred Retirement Option Program (DROP) as defined in Chapter 121, Florida Statutes, is an alternative method of deferred payment of retirement benefits for up to sixty (60) or ninety-six (96) months after an eligible member of the Florida Retirement System reaches his/her normal retirement date but wishes to continue employment with a Florida Retirement System employer. To participate in the program, the employee must submit a binding letter of resignation, establishing a deferred termination date. DROP will allow the participant to defer all retirement benefits payable during the DROP period. Upon termination of DROP, the participant will receive the DROP benefits and the regular retirement benefits under Chapter 121, Florida Statutes.

I. Participation in DROP

- A. All members of the Florida Retirement System are eligible for DROP. Members electing to participate in DROP must meet the eligibility and timeline requirements outlined in Florida Statute.
- B. An employee who is eligible to extend his/her DROP participation beyond the initial sixty (60) month period may request an extension. Consideration will be given when such extension is needed for the employee to complete the academic year through June 30 to minimize disruption to a school.

II. Benefits Payable

- A. Sick Leave - Employees will be paid terminal pay for accumulated sick leave at retirement, or, if service is terminated by death, to his/her

- 2. Sick leave will be earned during DROP as prescribed by Florida Statutes. Accumulated sick leave earned during DROP participation will be paid to the employee at the end of his/her DROP participation or as prescribed in any Board approved alternative retirement plan.
- 3. It is in the intent of this policy that an individual entering DROP will be allowed to use sick leave which was accrued prior to his/her retirement and entrance into DROP. The procedures for utilization of such leave shall be as follows:
 - a. Sick leave earned prior to DROP shall be calculated in accordance with School Board policy.
 - b. The value of each sick day will be computed according to the salary established at the time of entry into DROP. Should a DROP participant use a sick day(s) accrued prior to entrance into DROP, the monetary value of his/her remaining sick days shall be reduced by the value of the sick day(s) used.

- c. Final adjustments in the total amount of compensation for accrued sick leave will be made prior to the final payment at the end of DROP.
- B. Annual Leave - Employees electing to participate in DROP shall be entitled to terminal pay for accrued annual leave as required by state law, Board policy and/or union contract. Upon election to participate in DROP and the employee's election to receive a lump sum payment of accrued annual leave, payment shall be made in the last paycheck prior to the effective beginning date of DROP.
1. Annual leave earned prior to entering DROP which exceeds the maximum lump sum payment allowed by Board policy may be used during DROP; however, the employee shall not be entitled to compensation at the end of DROP for any unused portion of the accumulated leave.
 2. Employees will earn annual leave during the DROP period as prescribed by Florida Statute, Board policy and/or union contract. Annual leave accumulated during DROP participation will not be paid to the employee at the end of DROP participation, except to the extent the employee has earned additional annual leave which combined with the original payment does not exceed the maximum lump sum payment allowed by Board policy.
