

If you're looking for a quick and easy way to submit videos or photos from your phone to a Google Classroom assignment, download the Google Classroom app. With the Google Classroom app on your phone, you can quickly upload any photo/video from your phone (screenshot below) to your Classroom Assignment. This is the quickest and easiest way to submit a video from your phone.

If you don't have the Classroom app on your phone, you can upload the video/photo to your Google Drive and post to your Classroom Assignment.
