Dear Parent or Guardian:

The virtual options provided by Lafayette County Schools during the academic year are MyDistrict Virtual School and Edgenuity.

For self-motivated students who know how to organize their time and see tasks through to completion, a virtual school course may be a good fit. Parents of virtual school students must be prepared to commit to a schedule of monthly phone calls with the virtual school teacher in order to review academic progress.

For the 2017-2018 school year, open enrollment begins May 12, 2017 and the deadline to register for a MyDistrict Virtual course and/or Edgenuity course during the school day **is July 11, 2017**.
